The ERS is a registered, incorporated non-profit music society and registered charity, dedicated to enhancing Edmonton's artistic and cultural life with world-class concerts in intimate settings. Most performing artists have connections to Edmonton and many are local up-and-coming stars. Our sources of funding are your donations, sponsorships, ticket sales, and grants from different agencies and levels of government.

The ERS board is 100% volunteer-run, from the artistic team to the accountant expert, lawyer, and general consultants. Your generous tax-deductible donations will be used to cover all the artist, venue, publicity and administration costs.

With grateful thanks for your dedication and generosity, **Edmonton Recital Society** www.edmontonrecital.com
