

Lily received a music scholarship made possible
through the generous support of ERS donors.

Dear Edmonton Recital Society

June 28th 2024

Thank you for the donation! It was really nice
and I think it's cool that kids just like me can
earn scholarships because of their playing.

my name is Lily and I play the violin.

I am 9 years old and have been learning violin
for 6 years since I was 3 years old.

I played Vivaldi concerto in
A minor at festival and it was so exciting
to stand on the stage and play in front of
the judges!

Thank you again for the donation
I feel very lucky to receive this.

Bye!

do you
